The Honorable Charles Schwertner, MD
Texas Senate
P.O. Box 12068
Austin, Texas 78711-2068

Dear Senator Schwertner:

Walker County has supported gaming on the Alabama-Coushatta Reservation in the past. We continue to support it today. The Tribe is a valuable asset to our region and gaming is a solid investment in that asset. We believe a gaming operation on the Alabama-Coushatta Reservation will have a positive impact on our region. As demonstrated in other areas of the country, tribal gaming can foster economic development for both the Tribe and the region.

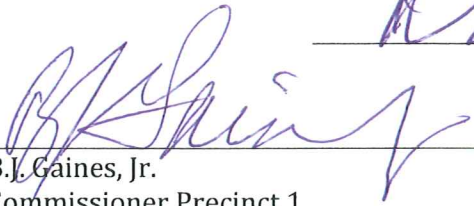

We congratulate the Tribe for its effort to expand opportunities for tribal families. We urge you to pass legislation allowing the Alabama-Coushatta to conduct gaming on their tribal land. There is solid public support for tribal gaming; families will benefit and the region will benefit.

Respectfully,

Walker County Commissioner' Court
